

PLANET PALS

Each Go Green Lunch Box set comes with an insulated fabric carrier, a five-compartment food container, and a bottle that will hold over nine ounces of water or your child's favorite drink – all leach- and lead-free all for - \$30.00

A unique erasable white board allows you to send your child a loving note or a simple reminder . . . they might even write you back!•

A revolutionary lock and seal compartments ensure your child's lunch stays fresh.•

Go Green Lunch Box's food container and water bottle are top shelf dishwasher safe. Our stylish fabric bag, with its protective non-toxic coating, is easily cleaned with a damp cloth.
